It is possible that you, as a person, may be charged with a crime, but then later cleared of that crime. It is possible that the government may bring charges against your employer for the same crime. It is possible that you can have money seized, tied up for a long time, or thrown out of your home because of an investigative or legal matter. It is possible that you can have your credit card or bank account frozen because of a financial dispute. When dealing with the police, prosecutors, tax officials or courts, it is important to understand that many of
