A Story of the Ancient Time. Legend has it that long ago, a young hero, far different from any other man of our time, appeared in the Lands Between and single-handedly conquered a vast number of monsters, bringing peace to the land. What became of him after that is still shrouded in mystery. There are Those Worthy of our Trust and Those Who Are Not. One day the monsters returned. While searching for the young hero, a number of adventurers and monsters battled one another in the dark, deeply hidden caverns known as the Labyrinth. To this day, there have been no survivors. In the End, the Hero Rises as the Supreme Being. At long last, a leader emerged from the darkness. Then the Black Dragon, the embodiment of evil, emerged. The Way to Take on Evil. A hero must be born. All of the battles and struggles that you have witnessed are merely the beginning of your destiny. The situation has been set. It is now time to step into the great adventure. Your name is an Elden Lord. Good luck. A Fantasy Action RPG, The Tarnished Crown. Set in the Lands Between, The Tarnished Crown is a Fantasy Action RPG where you will enjoy the freedom of exploring a vast world full of diverse situations and walk through a seemingly limitless story full of action as a hero that you shall choose yourself. - A vast world. A vast world where open fields and the labyrinth-shaped Holy City are seamlessly connected. - A story for you to explore. A story that leads you on your way as a Tarnished Lord, the hero of a certain legend. Through the lens of one of the characters in the Lands Between, the story advances from the epic battles of the past to the present day. 1. ARRIVAL Lifting your gaze, you are greeted by the vibrant scenery of the Lands Between, a great green forest stretching endlessly. The air is cool, and the leaves rustle in the wind, reverberating all around you. The World of Tarnished Crown. You set off in this great world. The beginning of your journey has just started. 2. ### What's new in Elden Ring:

#### Become a champion of the great fantasy saga of Tarnished Soul

**Tarnished Soul and the Lands Between have both gone through the blood and water of wars. Despite the turmoil and turmoil of conflict, the Elden Ring, guilds, castles, and nations are in a state of paralysis, filled with distress. However, they have lost their humanity and split themselves into different arms, and each is greedy for power. The power obtained from the destruction of all worlds, time, and space is waiting.**

**Elden Lord, you are a knight seeking safety and a chance for self-recovery. High shard demands you to protect the throne in Tarnished Soul Castle. For twenty years, occupation forces have been terrorizing the surrounding towns with terror, and Elden Lord Anryi has lost the court; in the war between the Eastern, Western, and Southern Kingdoms, she was defeated as well. Her weapons have been lost, her strategy strategies failed, and she struggles to run away alone.**

**What kind of path will you traverse to clear your eyes of the old and new scars on life?**
