A little bit about myself, I've been playing a long time on Gamemode RP, and I've played this game since it was released on Steam, I've played all the expansions, so far I have 2 RP server, Heliotron and a second server.

*Second sub-forum here for the RP Minions of Y'Lar who are not involved in the other sub-forum you're already accessing.*

Hello, thank you for opening this sub-forum! I'm a British RP Minions of Y'Lar player, and I love all the ARPG content out there, but Fallen Angels stands apart in that it's adventure, in that it throws new and interesting enemies into the mix.
